District 11 Don Moberg

Council 4777 Priest River, because of Cova they holding regular meetings every month and they have elected officers. They have two new members and another transfer in. They have been taking care of the coffee and donuts monthly. They serve at mass ushering, readers and eucharist ministers. They are leading the Rosery and the stations of the cross. Although they have completed all but one of the need forms. Although they have come a long ways they still have a ways to go.

Council 2888 Sandpoint, Although the are a very active council they have only one new members this year, they have held the new degree bringing one first degree and one second degree member to third degree. They are safe compliant and are current with all needed forms. They have held fundraisers to raise monies. Because of Cova the monthly pancake breakfast have been put on hold, but they are steel able sponsor fund nights where they invite people from the parish, have a meal and watch sports on TV. Going forward they need to work on recruitment

Council 15304 Spirit Lake, Rathdrum, They are up to date on all council forms and are safe compliant. They have been helping with the construction of a social hall at the church in Spirit Lake. They did a lot of the planning and did the work that they are able to do, like painting, flooring and cleanup. They have been holding weakly prayer meetings at someone's house. Because of Cova the monthly pancake breakfast have been put on hold, but they were able to pass the can to collect monies to support various charities. Like others they need to work on recruitment hopefully this next year will be better.
