

Brothers;

During this time of the COVID-19 Pandemic and uncertainty, District Six has improved in a number of ways. Our Councils are meeting more regularly, be it in person or virtually. Forms are getting filled out and submitted. Some new energetic officers are being elected or appointed.

Council #899 Sacred Heart Boise

Meeting with new meeting scenario in person and virtually. A new financial secretary is on board and learning each day. All forms have been submitted. Totally Safe Environment compliant. Star council if recruiting picks up.

Council #4013 Santa Maria St Mary's Boise

Started monthly meetings back up in September, live and virtual. All forms submitted. 1728 and 365 not recorded yet. Safe Environment is behind because of Form 365. Moving toward Star council if recruiting picks up and programs resume.

Council #8310 St John's Cathedral

Meeting monthly live and virtual. All forms done and submitted. Safe Environment One compliant, two pending others waiting on invites from #365 recording. Newly elected Grand Knight, energetic! Working on a retention program. Food for Families, March for life, Family Bowling moved out to summer. Highway clean up project. Two recruits.

Council #12531 St Mary's Boise

Council is meeting virtually on an as needed basis. Most officers attend. All forms filled out, submitted and recorded. Totally Safe Environment compliant. Need some recruiting. They are doing a Divine Mercy Sunday large presentation of ICON and celebration. Need a recruitment program.

I attend almost all of my council's meetings.

Respectfully,

Paul (Skip) Girard
