The councils are all having a hard time getting any members to attend meetings this last year. Most of the time trying to have a quorum in attendance is almost impossible. Very few activities were even accomplished.

We have a team for doing the New Combined degree which we have used a couple of times. Once in Weiser Council 13089 and once in Ontario Oregon Council 1656.

We are hoping and praying that the coming year we will be able to get back to some normalcy.

Council 3085 Emmett

Emmett was able to have there fish fry this year with using social distancing.

Council 3806 Caldwell

Caldwell was pretty quiet this year. They did a membership drive last fall and did get a few prospects but, as of yet no new members out of it. Member Pat King was in It aly a year ago and he met a Priest from Ghana and with there conversing the were able to send money to him so they could build benches for his two congregations to have somewhere to be seated, than just on the ground.

Council 12516 Fruitland

Fruitland was able to have 5 Fish Fries this year with social distancing. The thing that helped out with them was that we the first ones to use the new church hall that was turned over to the Church July 1 of 2020 because of the covid.

Council 13089 Weiser

Not much happened in Weiser since the covid started. I believe there has been one meeting held. The great thing that happened there was we held a combined degree

and increased the membership by 6.
