## Idaho Knights in Action

### PAPERWORK

I know.... I get it. It seems as though every time you turn around someone wants a form filled out or a report submitted. Quite honestly, I don't like doing all that paperwork myself; but, all of the information on each report you are asked to submit IS being used for very specific, and important, reasons. Actually, if you think about it, you are only "required" to submit just a few reports: 185-Report of Officers Chosen (Due 7/01), 365-Report of Service Program Personnel (Due 8/01), 1728-Report of Fraternal Activity (Due 1/31) and 1295-Semi-Annual Audits (Due 2/15 & 2/15).

As of February 15<sup>th</sup>, there were only 17 Idaho councils who have submitted all of their required reports for this year. That means that there are 24 councils who are late on submitting one, or more, reports. Congratulations to District Deputy #10, Rob Palus, who was the first District Deputy to have ALL of his councils current on report submissions! If your council is one of those who is late on submitting reports, please get them in soon. If you have any questions, or need help, please let me know. Thank you and God bless.

## Assembly Actions

Dave Ellingsen - Idaho District Master

Increasing the Fourth Degree Membership is important so we can get new young and active members. Please look around at your active Third Degree Members and invite them to join the Fourth Degree. The Fourth Degree teaches the lesson of patriotism. Fourth Degree Members are eligible to wear the uniform and become the "visible arm" of the Knights of Columbus. Color Corps and Honor Guards are hard to find in Idaho since the move to the new uniform. I strongly encourage, particularly our younger Fourth Degree Members, to purchase the uniform so we can become visible at special religious occasions with the permission of your pastors. Getting the uniform and participation in color guards is not mandatory for participation in the Fourth Degree but it will aid in recruiting of new members in our order as questions about the Color Corps will lead to conversations about the Knights of Columbus in general. There will be a virtual Fourth Degree Exemplification put on by the Western Washington Exemplification team on Saturday March 13, at a cost of \$70. Idaho will also host a Fourth Degree Exemplification on Saturday May 1, 2021 from Pocatello at a cost of \$50 (includes mailing of Social Baldrick, pin and Certificate and information). Unfortunately, we will not be able to hold a Dinner Banquet following Mass and Degree as in pre-Covid-19 times.

I hope all our assemblies can be active in a safe manner during the Covid-19 pandemic. Outdoor patriotic and religious events are a great way to stay active and meet as an assembly with distancing and masks. Some events can be held virtually for added safety of our older members, as well as adding a virtual cast of business meetings. Be creative and share your successes with me and report them for the Civic and To Be a Patriot (single best assembly patriotic event) Awards. With those, the required reports, a newsletter and new membership, I will be travelling next year to award some Star Assembly Awards.

I wish all our Brother Knights a good and healthy Lenten Season that brings spiritual growth and blessing to you and your family. Please reflect on whether joining the Fourth Degree is right for you.

## Knights of Columbus elects next Supreme Knight

Patrick Kelly's tenure as the Order's 14th Supreme Knight will commence March 1.

*2/5/2021*

The Knights of Columbus Board of Directors elected Patrick E. Kelly as the next Supreme Knight on Feb. 5, to continue the mission of charity, unity and fraternity established by the Order's Founder, Blessed Michael McGivney, almost 140 years ago.

Carl A. Anderson will retire February 28, after more than 20 years of service as Supreme Knight and upon reaching the mandatory retirement age of 70. He leaves a legacy of Christian witness and service to the Catholic Church, to the Knights of Columbus and to communities throughout the world. Patrick Kelly's tenure as the Order's 14th Supreme Knight will commence March 1.

### **Statement by retiring Supreme Knight Carl Anderson:**

"The Knights of Columbus board has elected an extraordinarily well-qualified new Supreme Knight in Patrick Kelly. Patrick has dedicated his life in service to the Church, his country, and the Knights of Columbus. He has served as Deputy Supreme Knight for four years and is a well-rounded public servant with diplomatic and military experience. He is ideally suited to carry on the work of the Knights of Columbus as we enter a new era, faithful to our principles of charity, unity and fraternity, and in close collaboration with the Holy See and the bishops throughout the world. As Deputy Supreme Knight, Patrick has played a leading role in several major initiatives, including our international religious freedom efforts, our pro-life Ultrasound Initiative, and our new public initiation ceremony. He also served as Executive Director of the Saint John Paul II National Shrine, leading its transformation through the creation of its worship spaces and world-class exhibit on the life of St. John Paul II. Most recently, Patrick led the Knights' grassroots response to the COVID-19 pandemic titled "Leave No Neighbor Behind." Through this initiative, brother Knights around the world are serving those isolated and alone in quarantine, supporting food banks and blood centers in need of vital supplies, and providing other essential services. Patrick has the experience and strong faith necessary to lead the Knights into the future."

For over a decade, Patrick Kelly has worked at a senior level on the frontlines of the Knights' work in charity, advocacy, and the management of the organization's multibillion-dollar insurance and investment operations. Mr. Kelly joined the Knights as a student at Marquette University in 1983 and later served as State Deputy in

the District of Columbia from 2012-2013. He was named the Knights' Vice President for Public Policy in 2006 and was elected Deputy Supreme Knight in January 2017.

**Statement by Archbishop William E. Lori, Supreme Chaplain of the Knights of Columbus:**

“The Knights of Columbus board has elected a brilliant new Supreme Knight with whom I have had the pleasure of working with for more than a decade. Patrick Kelly is a devoted husband, father of three young daughters, and a man of deep faith with many years of experience as a public servant. He possesses the knowledge, experience and commitment necessary to carry the Order forward in service to our brother Knights, their families, our parishes, and our communities.”

The newly elected Supreme Knight is a retired Navy Captain with 24 years of military service. In 2016, he retired from the U.S. Navy Judge Advocate General's (JAG) Corps Reserve, where he specialized in international and operational law and served as the Commanding Officer of the international law unit at the United States Naval War College. Previously, Mr. Kelly had a long career of public service that included advisory roles to Congress and the Department of Justice. Mr. Kelly also served as Senior Advisor to the Ambassador-at-Large for International Religious Freedom at the State Department. His responsibilities included serving as the Department's principal interlocutor with the Holy See and other nations on religious freedom issues.

Mr. Kelly holds a law degree from Marquette University Law School and a master's in theology from the Pontifical John Paul II Institute for Studies on Marriage and Family at The Catholic University of America.

**Acceptance Statement by Supreme Knight-elect Patrick Kelly:**

“I am honored, thankful and blessed. I am honored to be called to serve as Supreme Knight. I am thankful to my wife and family, and to my brother Knights for affording me this honor and privilege. I am blessed to have worked beside Supreme Knight Carl Anderson, who has done so much to strengthen the Knights of Columbus and fulfill our mission through acts of love, kindness, compassion and prayer that have helped countless people here at home and around the world. Carl has long been a friend to me, and while I count myself among our many colleagues who will miss his daily collaboration, I know that he will continue to contribute much to the good of the Order as Past Supreme Knight and a member of the board of directors. I wish Carl, his wife Dorian, and the entire Anderson family the very best and thank them for everything they have done in service to the Knights and the Church.”

“I look forward to continuing Carl's great work and will strive to guide the Knights of Columbus by the principles of charity, unity and fraternity according to the vision of Blessed Michael McGivney. These principles are as important today as they were almost 140 years ago at our founding. They are a proven path to deepen our Catholic faith, and build strong families, strong parishes, and strong communities that work together for the common good and recognize the dignity and worth of every human being. I ask for prayers as I endeavor to advance the great history and traditions of the Knights of Columbus in service to the Lord, his Church, our brother Knights and their families, our parishes and our communities.”

## SP-7 Columbian Award Application

What an amazing ride we have all been on this year! COVID-19 has impacted us in so many ways; but I am proud to know that our Idaho councils have not allowed a little “bug” to get them down. Our work and our charity has continued throughout.

This is a great time to show your Brother Knights, your Pastor and parish community how much you have done for the betterment of your community. I encourage **every** Idaho Council that is Safe Environment compliant to submit an SP-7 application for the Columbian Service Award. This Supreme award recognizes you for excellence in your council’s programming and for your charitable outreach. I know that every safe environment compliant Council in Idaho would qualify. All it takes is a few minutes fill out the form and it can even be filled out and submitted online.

Even if you don’t feel it is necessary to be recognized, this award is something that is admired by your Church and community and it provides prospective members with the belief that your council is one that he would be proud to join.

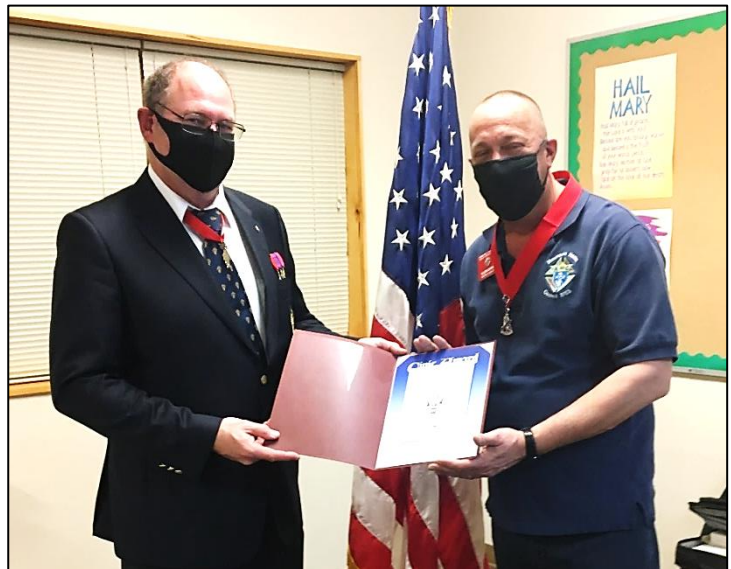

I suggest that we strive for 100% participation in the Columbian Award and **now** is the time to start. I am happy to assist you in any way. If you have questions, please let me know. Good luck and God bless.

### Micheal Keyes Assembly 1983 Mountain Home

Congratulations to the Forth Degree Assembly in Mountain Home for earning the Civic Award for patriotic programming during the 2019-2020 fraternal year. Faithful Navigator Allen Darrow was presented the certificate from Supreme by Idaho District Master David Ellingsen (at left) at Their assembly meeting on February 3, 2021. The Civic Award requires four programs be done during the fraternal year and the form completed. Most of our assemblies should be able to earn this award with a little effort and completion of the form.

# Have You Forgotten?

There are over 100 million people in the world who need a wheelchair but do not have the means to acquire one. Our Supreme Knight and Supreme Council are deeply committed to this "Featured Program". Idaho Knights of Columbus have done wonderful work in providing wheelchairs for Idaho veterans, the Northwest Honor flight program, the Idaho medical equipment loan program, and for the poorest of the poor in Mexico and Vietnam. It wasn't long ago that Idaho ranked the third highest in jurisdictional donations in our Order! Unfortunately, we no longer have that distinction.

I ask you to please look into your charitable hearts and help us help those who cannot help themselves. Answer their prayers and give them hope.

Please make your checks payable to: The American Wheelchair Mission and mail them to: 2600 E. Seltice Way, Post Falls, Idaho, 83854. You may contact me directly with any questions. Thank you and God bless.

## Knights' Opportunity to Evangelize in Lent

From: George Mesina, State Secretary

Lent is a time when we remember the 40 days that Jesus fasted in the desert. We abstain from meat on Fridays in Lent and fast and abstain on Ash Wednesday and Good Friday. Besides doing that, most of us prepare ourselves for Easter by "giving up something for Lent." But many others prepare instead by doing something charitable for Lent. In a year when so much has been taken away by coronavirus, rather than giving something up, it might be better to do something positive for Lent.

Near the end of Lent, on March 28, 2021, is **Palm Sunday**. Here in the USA, we receive blessed palms at the church entrance and have readings from the Bible about Jesus Christ's triumphal entry into Jerusalem. But did you know it is done differently in many places around the world. In India, flowers are scattered around the sanctuary at Mass while the gospel is read, and only later does the priest bless the palms and give them out. In the Philippines, people bring their own woven palm leaves to church where the priest blesses them.

Similarly, in this year of years, we can try new and different Lenten preparations? The Knights of Columbus is known as the charity that evangelizes. Can we as individual Knights find new and different ways to help others through prayer and deed? For 40 suggestions to consider, one for each day of Lent (especially for young families), check:

<https://irp-cdn.multiscreensite.com/83604684/files/uploaded/propositos.pdf>

Other ideas to consider are:

- Pray a new daily prayer (E.G. McGivney prayer or St. Michael the Archangel)
- Make a daily contact with someone to Leave No Neighbor Behind
- Read and discuss the Saint of the Day <https://www.catholic.org/saints/sofd.php>
- Help at Stations of the Cross or Friday Fish Fries where possible

In our Lenten prayer and deed, can we Knights of Columbus find new ways to serve that evangelize? Please consider some of these ideas during your Lenten preparations.

## Supreme Chaplain's Challenge

*A monthly reflection and practical challenge from Supreme Chaplain Archbishop William E. Lori*

A leper came to him [and kneeling down] begged him and said, "If you wish, you can make me clean." Moved with pity, he stretched out his hand, touched him, and said to him, "I do will it. Be made clean." The leprosy left him immediately, and he was made clean. (Gospel for Feb. 14, Mk 1:40-42)

What profound faith this leper possessed. He knew beyond a doubt that Christ could heal him and make him clean. The leper's humble cooperation with the healing grace of Christ allowed him to be cured. Do we recognize our own need to be healed? Do we approach Christ in the sacrament of confession with similar faith, saying to the Divine Physician, "If you wish, you can make me clean"? May we continually return to Christ on our knees, aware of our sins, so as to be made clean again through his mercy.

**Challenge:** This month, I challenge you to make a comprehensive examination of conscience at the end of each day and make at least one good and humble confession. Second, I challenge you to begin (or continue) viewing as a council the Knights of Columbus *Into the Breach* video series, putting a particular emphasis on the "Spiritual Warfare" episode.

## Idaho Falls Knights March for Life

From: George Mesina

Our Second Annual Idaho Falls March for Life sponsored by Knights of Columbus council 1663 took place on Saturday, January 22 from 10:45 to 12 noon. State Deputy Roy Bartholomay and Pastor Ron Weckerli attended. Fr. Ron recorded the march from several vantages and posted the narrated video on the St. John Paul II Facebook page.

The marchers, 65 strong, from several local churches and cities as far north as St. Anthony and as far south as Pocatello, were led Knights bearing a huge Knights of Columbus pro-life banner. The marchers carried pro-life placards and balloons. We sang the Divine Mercy Chaplet while traversing from one side of the river to the war memorial on the other, turned around, and sang the Chaplet on the return route. Each decade was offered for the end to abortion, the elderly. And the desperate poor, but mostly for the unborn. We prayed a bilingual rosary for all three causes.

## COVID-19 ... One Year Later!

Knights of Columbus  
**INSURANCE**  
YOUR SHIELD FOR LIFE

Brothers;

This month marks one year under COVID-19 restrictions.

I remember when the news of shutting the Supreme Office was announced. I, like many I think, thought this would last a couple of months and all of us would get back to normal. The reality is much different. Maybe some of you are working from home...maybe some will be working from home for the foreseeable future. I realize this has not been easy for many of you. When it began, I wondered how I would be able to help my brother Knights. But as restrictions were put in place, we were provided with a new way to meet with members virtually on our computers and we were given a number of tools to ensure that you, our members and your families, were served.

Using these new tools, I have found that I am more efficient. I save travel time and can have more meetings in a day. I've found that many of you like the idea of meeting virtually. It's less stress for you to simply sit down in front of your computer, click on a few buttons and we can have a confidential conversation about your needs, wants and desires. For service issues I can meet much more quickly and have all the forms I might need to help you right at my fingertips...No more running out to the car to get a form only to find out my paper file is depleted.

We've had our eApplication process for a while, and with pandemic restrictions members have found it very valuable to be able to sign electronically when we meet virtually. [New York agents may delete this sentence.]

It's been a very different year: We missed much of the solemnity of Holy Week and Easter with many of us either social distancing at church or live-streaming Mass; by summer we were able to get outside as long as we didn't get too close to others who were out. Vacations were pretty much out of the question—I know I had a “stay-cation” with my family. By fall we had figured out how to deliver candy from a socially acceptable distance to those few trick or treaters who braved the night. Thanksgiving traditions of large family gatherings were taboo and Christmas was so much smaller in 2020. Joyously we experienced the beatification of Blessed Michael McGivney.

Now we've come full circle into 2021. The vaccine is on the way. Some of you have already received it. Looks like light at the end of the tunnel; but we still have to be vigilant, still have to protect each other.

I am most thankful to all of you. Many of you met with me this year and wanted to make sure your desire for financial security was up to date. It was my pleasure to take the time to analyze your situation and give you my recommendations. I look forward to meeting with many more of you in the months ahead whether virtually or face to face. Please contact me if you have any questions; I am here to serve you, my members, and your families.

I pray you will be safe and healthy.

Vivat Jesus!

# Pennies from Heaven

*'Amen, I say to you, whatever you did for one of these least brothers of mine, you did for me.'*

Matthew 25:40

Most of us have been impacted, in some way, by tragic loss. Either personally, or through a friend or loved one. This year the Covid pandemic has affected us all in unimaginable ways.

## **Did you know the State Council is available to help?**

The State's Pennies from Heaven (PFH) Fund is maintained for the sole purpose of providing financial assistance to individuals or families for basic human needs, or to assist with medical expenses. Subordinate councils support the fund by voluntarily donating to the State's PFH Fund. PFH funds must be requested in writing by an active Knights of Columbus Council, and although the person in need is frequently a member of the Knights of Columbus, assistance may be requested for any individual or family with a need for financial assistance. Grants are typically limited to a maximum of \$500.

Over the past two years this program has been supported by less than half of our active councils; but, so far, we have been fortunate in that the need has not been greater than our ability to help. Would it surprise you to know that many of the councils asking for grants are not supporting the fund? Imagine how simple it would be, if every Idaho Knight of Columbus were to donate a penny a day (\$3.65 per year) our outreach ability would be tremendous. Councils could assess an additional \$3.65 in their annual membership dues or Financial Secretaries could provide an option for their members to voluntarily donate to the fund on their dues billing.

All Councils are encouraged to support our Pennies from Heaven fund. Please make your checks payable to the Idaho State KofC – PFH fund and mail your checks to the State Secretary. It will be a real tragedy if the day comes when we cannot provide grants to those in need because there is nothing left in our fund. The fund is yours to use and to support. Thank you for your charitable consideration.

# Membership Growth

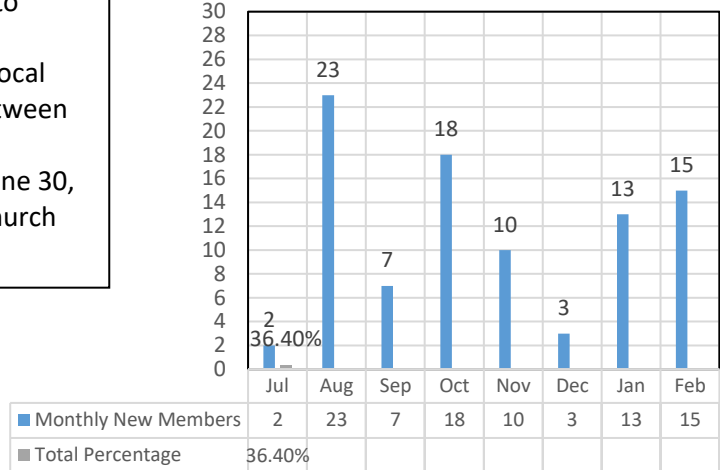

February was a very good month in terms of membership growth. We brought in 15 new members however, there were 11 members that were dropped from our rosters and that would affect our net growth. As of February 26 2021, we are in the 47<sup>th</sup> spot in the orders overall standings and we brought in 91 total new members for the year. That put us at 36.4% towards our goal of 250 and we need 159 new members to reach that goal. Please see the chart below for our yearly progress.

- Incentives:**
1. District with the highest recruitment between January thru March 2021 gets 100 dollars to divide up with the councils in that district
  2. State council will host a barbeque for the local council who brings in the most recruits between January 1st thru June 30, 2021
  3. McGivney2020 is continuing on through June 30, 2021. A flyer was sent out to post in the church bulletins & information boards.

Congratulation to the four councils that earned 100% or more of their goal for the year. There are four other council that only need one or two more to meet their goal.

Council	% of Goal
Cathedral Spanish 17462	233 %
Weiser 13089	200 %

## Information Night Twin Falls

On Monday February 22<sup>nd</sup> an information night in Twin Falls was held for potential Hispanic members. Pona Magano, Supreme Hispanic Development coordinator, and Kenny Santacruz, presented membership and insurance details to seven potential members and wives.

**WELCOME**

### THE LAST WORD

*Roy Bartholomay - Idaho State Deputy*

Dear Brother Knights,

I want to welcome sixteen new brother Knights into our order during February and wish you all a prayerful Lenten season. As I travel around the State, I am starting to hear and see that our churches are getting fuller and I am hopeful that this may be a sign that god is leading people back to their Faith.

Last month we reported about not knowing for sure what the format would be for our State Convention, but indicated that we would have a virtual option for delegates not able to travel. As I write this message the State is currently allowing gatherings of up to 50 people and we have made tentative plans to hold a 1-day convention on Saturday April 17 at the Red Lion Downtowner Hotel in Boise for 50 people. The virtual component will be on Go-to-Meeting. If we are still under the restrictions of 50 people, we will be forced to limit our in-person attendance and meals to the first 42 delegates that register to attend in person and the state officers and the Supreme guest. I hope and pray that the COVID numbers continue to decline and the State allows for larger gatherings, so we do not have to limit attendance. We will work to get a letter out in early March with hotel costs and costs for meals. Stay Safe.

Vivat Jesus.

*Vivat Jesus!*
